**You can also dial in using your phone:**

United States: +1 (646) 749-3112

Access Code: 670-365-077

- |                |                                                                                                                                                                                                                                                                                                                                                       |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>1:00 PM</b> | Opening Remarks by RADM Jon White, President and CEO, COL                                                                                                                                                                                                                                                                                             |
| <b>1:10 PM</b> | Remarks by RDML Tim Gallaudet, Assistant Secretary of Commerce for Oceans and Atmosphere, Deputy NOAA Administrator                                                                                                                                                                                                                                   |
| <b>1:30 PM</b> | Introduction to the Workshop by Dr. Jamie Austin, Workshop Moderator                                                                                                                                                                                                                                                                                  |
| <b>1:45 PM</b> | Remarks by Dr. Alan Leonardi, Director, NOAA OER                                                                                                                                                                                                                                                                                                      |
| <b>2:00 PM</b> | Workshop Objectives Q&A                                                                                                                                                                                                                                                                                                                               |
| <b>2:15 PM</b> | Break                                                                                                                                                                                                                                                                                                                                                 |
| <b>2:30 PM</b> | Introduction to Breakout Session Topics<br><i>Cultural Heritage: Dr. Jim Delgado, SEARCH Inc.</i><br><i>Seafloor Characterization: David Millar, Fugro</i><br><i>Biology Characterization: Dr. Amanda Demopoulos, USGS</i><br><i>Water Column Characterization: Dr. Mike Vecchione, NOAA NMFS NSL</i><br><i>Marine Resources: Jeremy Potter, BOEM</i> |
| <b>3:45 PM</b> | Break                                                                                                                                                                                                                                                                                                                                                 |
| <b>4:00 PM</b> | Breakout Session Objectives Q&A                                                                                                                                                                                                                                                                                                                       |
| <b>4:15 PM</b> | Inclusive and Equitable Partnerships in the Pacific and Beyond<br><i>Dr. Jamie Austin, NOAA OER</i>                                                                                                                                                                                                                                                   |
| <b>4:30 PM</b> | Workshop Timeline and Concluding Remarks by Moderator & COL Staff                                                                                                                                                                                                                                                                                     |
| <b>4:45 PM</b> | Meeting Adjourn                                                                                                                                                                                                                                                                                                                                       |

FULL PARTICIPANT LIST	AFFILIATIONS
Alice Doyle	UNOLS
Amanda Demopoulos	USGS/OEAB
Amanda Williams	Department of State
Amy Baco-Taylor	Florida State University
Amy Gartman	USGS PCMSC
Beth Orcutt	Bigelow Laboratory for Ocean Science
Bob Ballard	Ocean Exploration Trust
Bob Neyland	Naval History and Heritage Command Underwater Archeology
Brian Connon	University of Southern Mississippi
Brian Kennedy	Boston University
Cameron Hume	NOAA OEAB
Chris German	Woods Hole Oceanographic Institution/OEAB
Chris Scholin	MBARI
Daniel Wagner	Conservation International
David Ball	BOEM
David Butterfield	University of Washington JISAO, NOAA PMEL
David Itano	Western Pacific Fishery Management Council
David Millar	Fugro
Diva Amon	Natural History Museum-London
Donglai Gong	VIMS
Dorsey Wanless	Boise State University
Eric King	Schmidt Ocean Institute
Erik Cordes	Temple University
Hans Smit	Ocean Minerals LLC
James Kendall	BOEM
Janet Watt	USGS PCMSC
Jeremy Potter	BOEM
Jim Delgado	SEARCH, Inc
Johan Bergenas	Vulcan
Kelly Benoit-Bird	MBARI
Kim Picard	Geoscience Australia
Kira Mizell	USGS PCMSC
Larry Mayer	UNH CCOM/JHC
Laurie Meyer	Ocean Minerals LLC
Lisa Levin	Scripps Institution of Oceanography
Matthew Piscitelli	SEARCH, Inc
Mattie Rodrigue	OceanX
Megan Carr	BOEM
Megan Lickliter-Mundon	Beacon Heritage
Michael Vecchione	NOAA NMFS NSL
Nicole Raineault	Ocean Exploration Trust
Ole Varmer	The Ocean Foundation
Peter Edwards	Pew
Randall Kosaki	Papahānaumokuākea Marine National Monument
Rick Brennan	NOAA Office of Coast Survey
Rob Kraft	Vulcan
Rob Pockalny	University of Rhode Island
Russ Hopcroft	University of Alaska Fairbanks
Russell Matthews	Air-Sea Heritage Foundation
Ruth Perry	Shell
Sebastien de Halleux	Saildrone
Shirley Pomponi	Florida Atlantic University
Steve Gittings	NOAA Office of National Marine Sanctuaries
Tom Drake	ONR
Tracey Sutton	NOVA Southeastern University
Vicki Ferrini	Lamont Doherty Earth Observatory
Vincent Pieribone	OceanX
Wade Ladner	Naval Oceanographic Office

<b>PARTICIPANT LIST (BY BREAKOUT GROUPS)</b>	<b>AFFILIATIONS</b>
<b>CULTURAL HERITAGE</b>	
<b>Scheduled for: July 22, 1:00-3:00PM &amp; July 24, 1:00-3:00PM EDT</b>	
Jim Delgado (Co-Lead)	SEARCH, Inc
Cameron Hume (Co-Lead)	NOAA OEAB
Bob Neyland	Naval History and Heritage Command Underwater Archeology
David Ball	BOEM
Matthew Piscitelli	SEARCH, Inc
Megan Lickliter-Mundon	Beacon Heritage
Ole Varmer	The Ocean Foundation
Rick Brennan	NOAA Office of Coast Survey
Rob Kraft	Vulcan
Russell Matthews	Air-Sea Heritage Foundation
<b>SEAFLOOR CHARACTERIZATION</b>	
<b>Scheduled for: July 28, 1:00-3:00PM &amp; July 29, 3:00-5:00PM EDT</b>	
Larry Mayer (Co-Lead)	UNH
David Millar (Co-Lead)	Fugro
Amanda Williams	Department of State
David Butterfield	University of Washington JISAO, NOAA PMEL
Dorsey Wanless	Boise State University
Kim Picard	Geoscience Australia
Kira Mizell	USGS PCMSC
Laurie Meyer	Ocean Minerals LLC
Mattie Rodrigue	OceanX
Megan Carr	BOEM
Rob Pockalny	University of Rhode Island
Sebastien de Halleux	Saildrone
Vicki Ferrini	Lamont Doherty Earth Observatory
<b>MARINE RESOURCES</b>	
<b>Scheduled for: July 30, 1:00-3:00PM &amp; July 31, 3:00-5:00PM EDT</b>	
Ruth Perry (Co-Lead)	Shell
Jeremy Potter (Co-Lead)	BOEM
Amy Gartman	USGS PCMSC
Beth Orcutt	Bigelow Laboratory for Ocean Science
Bob Ballard	Ocean Exploration Trust
Brian Kennedy	Boston University
Chris Scholin	MBARI
Hans Smit	Ocean Minerals LLC
James Kendall	BOEM
Janet Watt	USGS PCMSC
Johan Bergenas	Vulcan
Tom Drake	ONR

<b>PARTICIPANT LIST (BY BREAKOUT GROUPS)</b>	<b>AFFILIATIONS</b>
<b>WATER COLUMN CHARACTERIZATION</b>	
<b>Scheduled for: August 7, 1:00-3:00PM &amp; August 11, 3:00-5:00PM EDT</b>	
Nicole Raineault (Co-Lead)	Ocean Exploration Trust
Michael Vecchione (Co-Lead)	NOAA NMFS NSL
Alice Doyle	UNOLS
Brian Connon	University of Southern Mississippi
Chris German	Woods Hole Oceanographic Institution/OEAB
Donglai Gong	VIMS
Eric King	Schmidt Ocean Institute
Kelly Benoit-Bird	MBARI
Russ Hopcroft	University of Alaska Fairbanks
Tracey Sutton	NOVA Southeastern University
Wade Ladner	Naval Oceanographic Office
<b>BIOLOGY CHARACTERIZATION</b>	
<b>Scheduled for: August 10, 1:00-3:00PM &amp; August 13, 1:00-3:00PM EDT</b>	
Amanda Demopoulos (Co-Lead)	USGS/OEAB
Daniel Wagner (Co-Lead)	Conservation International
Amy Baco-Taylor	Florida State University
David Itano	Western Pacific Fishery Management Council
Diva Amon	Natural History Museum-London
Erik Cordes	Temple University
